SELECTED CURRENT WEB PAGES

During the past 15 years I have prepared over 300 webpages.

Currently developing and maintaining online course web pages at:

<http://www.rogercarlsen.org/moodle> Classes I teach use Moodle. Why? Because this is probably what they will find and use when they leave WSU

<http://wsucarlsen.com> My consultant page

<http://carlsenation.org/mw> A media wiki used with my Internet students and the same program used for Wikipedia

Under Construction AUCEi website. *Academy of Ubiquitous Communication Educators International*
<http://AUCEi.net>

Online Journal to follow.

My Symbaloo page. This is the one I share with my students at WSU. I link to 12.
